## T2500

The best solution for your AdBlue®4you management

## Description

For those with a fleet of trucks, GreenChem has developed the smartest solution to fill in your AdBlue®.

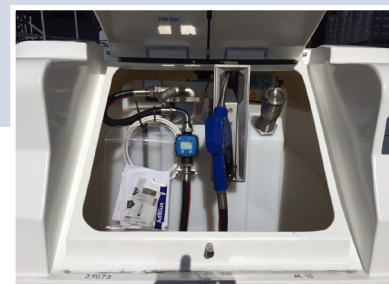

For smaller fleet sizes, this tank is the optimum system to ensure you have the right quantity of product available.

We offer an "all inclusive" solution with a fully integrated telemetry system.

## Benefits

- ▶ No risk of product contamination
- ▶ The best solution for fleet management
- ▶ No more IBC issues to deal with
- ▶ Lockable cabinet
- ▶ Fully bunded system for optimum leak protection
- ▶ Overfill protection
- ▶ Telemetry system for a better control of your AdBlue® level

Together,  
let's make the environment cleaner.
