ROTARY HAND PUMP FOR IBC

Get your Adblue®4you when you need it!

Description

For those looking for a reliable hand pump system, GreenChem provides the best possible solution to fill in your IBCs. This stainless steel rotary pump is AdBlue® certified and is equipped with a rugged connector system compatible with most IBCs on the market.

Benefits

- No risk of product contamination
- The best solution for garage or farm
- Easily adaptable to an IBC system
- Small footprint product for a better adaptation to the IBC
- When no electrical supply is available
- Stainless steel equipment for a better reliability

Together, let's make the environment cleaner.
